BeginAgain Rescue Co. (BARC) is an all volunteer, foster based, 501(c)3 non-profit dog rescue group. We provide help and a safe haven to dogs removed from situations that are abusive or neglectful or are in danger of being euthanized in a shelter or pound. All of our dogs are cared for in foster homes.

We feel it's important to develop a culture of compassion and nurturing thru volunteer opportunities, public education and community involvement.

BARC relies on volunteers, foster homes and donations from the community to operate. Tax ID 82-3618376
